

How to schedule a screening at a Quest Diagnostics Patient Service Center (PSC)

- Visit [My.QuestForHealth.com](https://my.questforhealth.com)
- If you've already established an account, use the **Log In** area to enter your **username** and **password** and select the green **Log In** button
 - If you've forgotten your login information, use the **password** link to reset your password or the **username** link to retrieve your username
- If you've never registered on the site to establish an account, use the **Create Account** area
- After logging in or registering, you will be taken to the dashboard

The screenshot shows the Quest Diagnostics Patient Service Center (PSC) website dashboard. At the top left, there are logos for Blueprint for WELLNESS® and Quest Diagnostics™. To the right of the logos is a grey button labeled "Logo 2". Further right, the user is greeted with "Hello, Allison Andrews" and there are links for "My Account", "Contact", and "Logoff". Below the navigation bar, there is a main content area with a green border. The first section is titled "Why Should You Participate" and contains the text: "Completing a screening gives you the knowledge you need to identify your health risks and transform your health. Schedule your screening today!". To the right of this text is an image of a woman and a child in a kitchen, with a green button below it that says "About Your Program" with a right-pointing arrow. Below this section is another section titled "Wellness Screening" with the text: "To get started, select an screening method below.". This section is divided into two columns. The left column is titled "Patient Service Center" and contains the text: "Schedule a screening at a nearby Quest Diagnostics location." and a green button labeled "Schedule a Screening" with a right-pointing arrow. The right column is titled "Onsite Event" and contains the text: "Attend a wellness event at work or a location designated by your organization." and a green button labeled "Make an Appointment" with a right-pointing arrow.
