Rider effective date: January 1, 2026

This rider is made a part of the certificate to which it is attached. Therefore, this rider is subject to all the definitions, benefit maximums, exclusions, and other provisions of the certificate. If the terms of this rider and the certificate conflict, then this rider's terms will control.

Some words appear in **bold** type. We define them in the *Glossary* section of the certificate and this rider.

Benefits under your rider

If while you are playing as a registered member of an **organized sporting activity**, you sustain an **accidental injury**, benefits payable under the *Schedule of benefits* section of the certificate will be increased by 25% except for these benefits:

Benefit
Animal bite treatment
Burn
Burn skin graft
Gunshot wound
Service dog

Rider benefits are payable for one **accidental injury** in a 24-hour period. If more than one **accidental injury** is sustained within a 24-hour period, the Increased dollar amount for the **accidental injury** with the highest benefit amount is payable.

Glossary

In this section, you will find definitions for words that appear in bold type in this rider. Other words in bold type are included in the *Glossary* section of your certificate.

Organized sporting activity

This is any regularly scheduled non-professional athletic event associated with school programs and non-school programs that are governed by an organization and require formal registration to participate. An **organized sporting activity** includes:

- Exhibition game
- Club sports
- Intramural sports
- Intercollegiate sports
- Competitions
- Team practice, training, workout sessions
- Try outs
- Any supervised or sponsored sports activity

An **organized sporting activity** does not include:

- Playing, coaching, or officiating for pay
- Personal, non-team related practice, training, workout sessions
- Unstructured play such as pick-up games or spontaneous play
- Activity that is outside of your membership role
- Activities you are paid to play
- Travel to and from the **organized sporting activity**
