## Good news — extra support is on the way

If you're managing diabetes, there's something that can help. Transform Diabetes Care® is a 12-month program that can help keep your diabetes in check. It can help you find the best ways to manage your diabetes and help you live well, stay motivated and achieve your best health. **At no extra cost to you.** 

This program gives you customized guidance based on your specific needs. You may get reminders about:

- Refills
- Doctor appointments
- · Preventive screenings

Plus, you can get nutrition plans based on what you like and need.

With the **Health Optimizer™ app**, you can monitor your glucose and blood pressure; track and share readings; learn more about diabetes and maintaining a healthy lifestyle; make meals that align with your dietary restrictions; and more. To stay on track, you can get personalized support from Certified Diabetes Care and Education Specialist nurses. That's in addition to the support from your care management program.

#### What to do next

If you're managing diabetes, you're enrolled automatically. Sit tight — program details are on the way. To learn more about the Transform Diabetes Care program, just call Aetna® Member Services at the number on your member ID card.

Sincerely,

[CLIENT SIGNOFF]
