## Selection of Recipients

Scholarship recipients are selected on the basis of academic record, potential to succeed, leadership and participation in school and community activities, honors, work experience, a statement of educational and career goals, aspirations and unusual circumstances, and an outside appraisal.

Selection of recipients is made by Scholarship America, an independent, third party administrator. Sysco officers or associates do not play any role in the selection process.

Applicants will be notified by June whether or not they have been selected to receive an award.
